

## 48" Poly Step-In Pet Tub Installation Guide

### Notes:

Heights are approximate as leveling feet are included for small adjustment

**Material:** ½" HDPE all welded joints.

**Faucet Holes:** 1" Holes. Shown with 8" on centers holes. Holes can also be 4" on centers, single faucet hole or no faucet hole.

**Drains:** Drain hole is 3.5"

### Accessory Kit Includes:

- Faucet connection with ½" NPT, we recommend steel braided hose for easy connection.
- Stainless steel drains and drain pipe that connects both drains with 1.5" outlet.
